Part III: Central America

This part of the Directory of Catholic Seminaries describes seminaries in Central America. The map above illustrates the number of seminary records in the Directory by country. Overall, the Directory includes 219 seminary records for Central America. Among countries in this world region, the Directory includes the highest number of seminary records for Mexico (117 seminaries), Dominican Republic (35 seminaries), and Haiti (16 seminaries).

Comparison between the Number of Seminaries in the *Annuario Statisticum Ecclesiae* (ASE) and Its Equivalent in the *Directory of Catholic Seminaries* (DCS) in Central America by Country¹

¹ The numbers for ASE were derived from the 2013 edition. The numbers for DCS in the table here were calculated for comparison to the numbers from ASE. The numbers of “seminaries” for DCS in the table here are not equal to the number of “seminary records” in DCS for two reasons. First, one seminary record may, for example, describe a seminary which is classified as “seminary” and “residence” or “center for the diocesan clergy” and “center for the religious clergy” as understood by ASE and treated by ASE as separate seminaries. Second, DCS includes information about both open and closed seminaries.

	Number of seminaries in ASE				Number of seminaries in DCS			
	Secondary schools	Philosophy and theology	Not classified	ASE total	Secondary schools	Philosophy and theology	Not classified	DCS total
Trinidad and Tobago	0	1	-	1	0	4	0	4

Virgin Islands (U.S.A.)	0	0	-	0	0	0	0	0
Central America	278	237	0	515	21	128	72	221

The table above attempts to estimate how complete the Directory is by comparing the number of seminaries listed in the Segreteria di Stato Vaticano's (2013) *Annuario Statisticum Ecclesiae* with the number of open seminaries included in this Directory.

- According to *Annuario Statisticum Ecclesiae* countries with the highest number of seminaries in Central America are: Mexico (343 seminaries), Dominican Republic (32 seminaries), and Guatemala (28 seminaries). Countries with the fewest number of seminaries are: Trinidad and Tobago (one seminary), Puerto Rico (four seminaries), and Netherlands Antilles (five seminaries).
- The Directory contains information on 221 seminaries in Central America. This number includes 21 secondary schools, 128 philosophy and theology seminaries, and 72 seminaries for which there is not sufficient information to classify them in one of the two groups.
- Overall, the number of seminaries in the Directory amounts to 43 percent of the seminaries accounted for in the *Annuario Statisticum Ecclesiae*.
- Relative to *Annuario Statisticum Ecclesiae*, the Directory contains information on more seminaries in: Dominican Republic as well as Trinidad and Tobago. Furthermore, the Directory provides information about seminaries in countries for which *Annuario Statisticum Ecclesiae* does not list any seminaries (Belize, Dominica, and Jamaica).

The discrepancies between *Annuario Statisticum Ecclesiae* and the Directory should be given due consideration when using the Directory. For more detailed description of the methodology used in preparing the Directory please see Part I.
